Slow juicer , VitaExtract, 150 W, White, Black MESM500W

The VitaExtract slow juicer with two filters for smooth fruit or vegetable juices.

Excellent Results

- Unique technology of slow speed extraction (55 RPM) allows you to achieve more desirable effect - the ingredients retain its healthy content thanks to process of gentle squeezing
- A high-performance and robust 150 W motor offers ultimate efficiency
- 2 filters of different holes size allow to prepare healthy juices and smoothies
- Tritan screw with outstanding resistance easily squeezes tough fruits and vegetables, nuts or frozen fruits

Comfort

- Universal use for different types of fruit and vegetable
- Silent operation not disturbing people at home
- Reverse function to quickly resume juice making
- Thanks to rubber rotation part you can easily mix the ingredients inside the juice bowl and pour the juice
- Juice outlet with DripStop avoids dripping and provides for a clean working top after juicing
- Included recipe booklet will inspire you with a lot of ideas not only for juices

Safety

- Product components that come in contact with food are made of BPA free materials to keep you safe and healthy
- Motor only runs if the appliance is assembled correctly with the lid closed

Cleaning

- Specially designed brush for easy and precise cleaning
- Comfortable cleaning comes with the convenient rubber rotation part – pour in water and let it clean the bowl while operating
- Accessories removable for dishwasher

Accessories included

- Juice container 1000 ml
- Pulp container 1300 ml
