

The Cool Idea For Any Room

While having a small footprint, the CMes 502 provides ample storage capacity with removable grid shelves, storing up to 60 cans of drink or 27 0.5-litre bottles.

For an attractive presentation the CMes 502 is equipped with a separately controllable, dimmable LED lighting. It is fit flush to finish in the ceiling thus space-saving.

The CoolMini is also a perfect solution for your precious cosmetics.

A CoolMini that is sharp and sleek, specially developed for every room in your home!

A highly energy efficient and compact refrigerator, the fully stainless steel CMes 502 can be elegantly displayed on a counter top or wall-mounted easily in a space-constraint environment. The LED illuminated interior and flexible shelvings allow you to store anything from drinks to cosmetics and even medicines.

Be it for your bedroom, entertainment room or a soho office, the Liebherr CMes 502 is the innovative appliance for making your refrigerated storage requirements truly convenient.
